You can choose from our lines
or customize them according
to your needs.

The table bases' supports
become stylish components
of furniture thanks to the
decorations directly engraved
on the plexiglass.

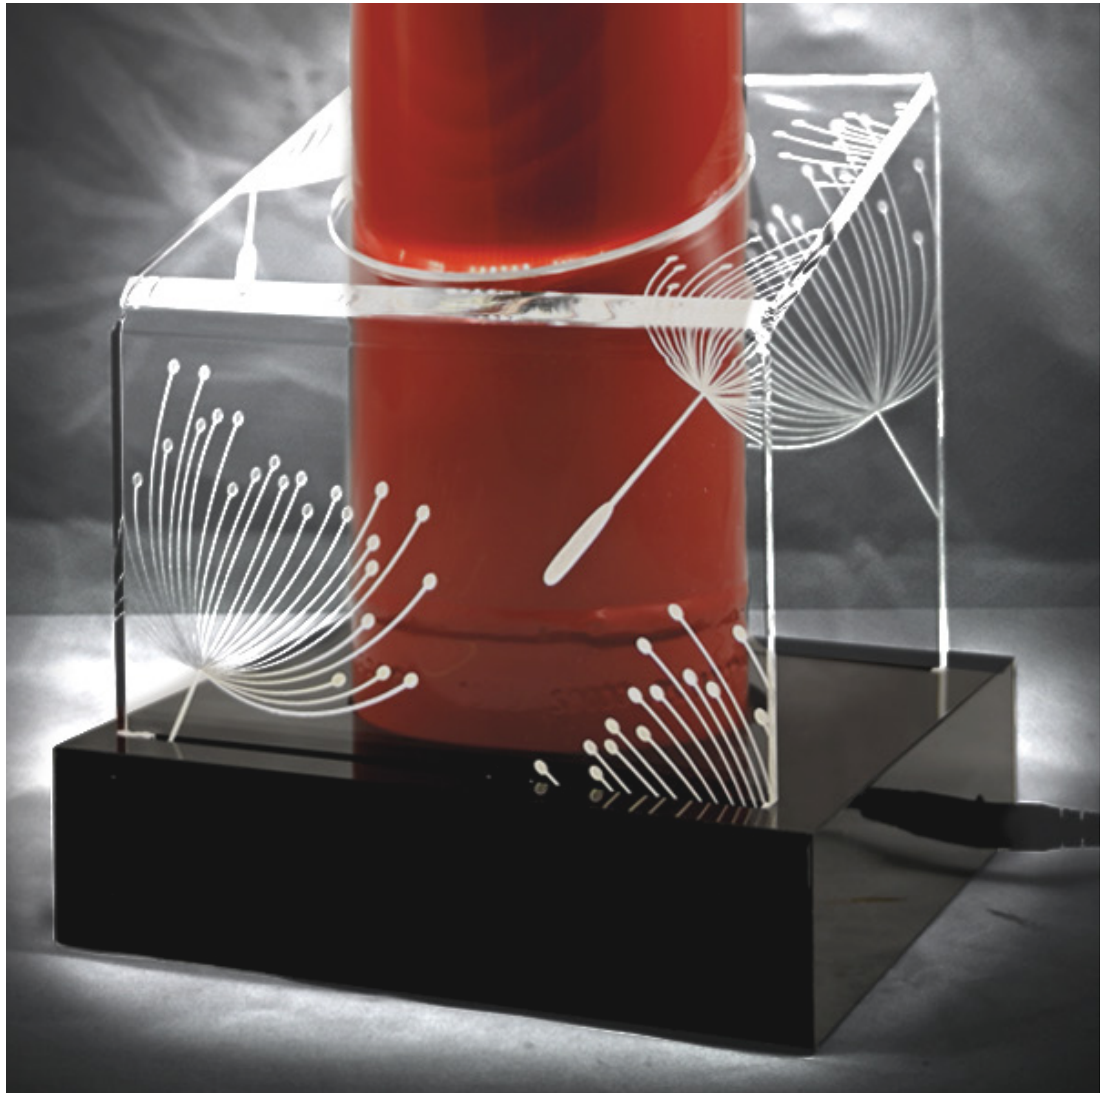

5 PATTERNS

ornaments

lighting

The lamp version
of table bases'
supports, lights up
all the ornaments
on the plexiglass,
making them even
more precious.

MUSEUM

Made entirely by hand with leather, padding and other fireproof materials. The base of the support is in dibond gold or silver. The plexiglass structure protects the device.

In the evening they also transform in decorative lamps or, if necessary, emergency light.

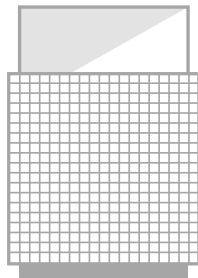

You can signal your fire extinguisher with the elegant plexiglass plate with steel wall supports. *Dim. 15x15 cm*
